## Sparnfarkel (Pig Roast)

Eden's Sparnfarkel or pig roast is slow roasted in a covered grill for 6-9 hours depending on hog size & weather conditions. This ensures that you enjoy tender & moist pulled pork. One of our grill masters will bring out the grilled hog about an hour before serving time to display the hog & carve on-site for your dinner. We will bring extra seasoning & bbq sauce. You may provide your own side dishes & salads, or let us do all the work for you & make it a "full-service" catering event, select another entrée & all the sides you would like. For best service, call ahead as grill reservations fill up fast!
