

WELCOME TO CND SPECIALTIES, INC.

CnD Specialties, Inc. takes great pride in the quality of personnel that represent our businesses to the general public. Management has made an effort to establish and maintain competitive compensation and benefits, reasonable hours of work, safe working conditions, and respect for each employee.

All employees are asked to provide outstanding service to all customers and take pride in their personal appearance, the buildings and parking lots of where they work, and the quality and display of product being sold. Customers return to businesses when they feel they receive respect, good services, and good prices for their purchases.

Our experience has shown that when employees interact openly and directly with supervisors, the work environment can be excellent, communications can be clear, and attitudes can be positive. All employees are asked to consider discussing and recommending ideas and suggestions to improve work efficiency and the quality of our products and services.
